

Soshin Ryo (G-Dorm) Application Guidelines (New Students) II

We are accepting applications for Soshin Ryo (G-Dorm) for the academic year 2025 and after as follows.

【Soshin Ryo (G-Dorm)】

Soshin Ryo, the first student dormitory, will open on Kobe Sanda Campus. The dormitory is located only a 3-minute walk from the main gate, allowing students to reduce their commuting time to and from school significantly, and to concentrate on their studies and research with peace of mind. Students can move in for a single year. An incubation facility will also be opened on the same site. The dormitory aims to be a center where students can open up their own possibilities by gaining insight through dialogue with a variety of people and through the stimulation of their senses obtained through contact with nature's sense of life.
