[For the duration of the COVID-19 response]
May 2021

If you have been in close contact with an infected person, or you are prohibited from attending class due to an order to remain at home by a public health center or other facility by COCOA notification, or a family member whom you live with has been subject to PCR testing (*1), or there is a suspicion of close contact with an infected person, please use the Health Management Chart to monitor your health. If you have displayed no symptoms, after your home quarantine is over, fill out this form and submit it to the office at your affiliated school or graduate school (or CIEC, if you are an international student at KGU through a student exchange agreement, or a short-term international student at KGU through a CIEC-operated program).

*If you have been diagnosed with COVID-19, obtain a Notification of Release of Employment Restrictions from a public health center or other institution (the name may vary by municipality) and submit it.

*If you have been diagnosed with another school-designated infectious disease, use the regular School Attendance Permission Certificate for Students with a School-Designated Infectious Disease. *If you have been prohibited from attending class because you have a fever and/or cold symptoms, use the Report on Cold-Like Symptoms. *If you have been prohibited from attending class because you have returned to Japan or entered Japan from overseas, use the Notice of Completion of Health Monitoring After Return.
