- [Note] 1. For the purposes of this table, include assistant instructors as full-time instructors.
2. Create this table based on the results from FY 2010. Furthermore, enter the FY 2010 number in the "Full-Time Instructors" column.
3. Enter the amount calculated by dividing the total by the number of full-time employees for that fiscal year in that school in the "Amount per Person" column.
4. Do not include "6. Research Expenses for Full-Time Instructors (Results)" (Table 29) as research travel expenses for instructors.
5. Note the payment conditions for research travel expenses (such as qualifications for receiving travel expenses and limits to expenses paid) outside of the table.
6. "Long Term" exchanges refer to exchanges of one year or more in length and "Short Term" exchanges refer to exchanges of less than one year.
