[[]Note]

1 List each school and department, graduate school and graduate department, other and graduate department, and research institute, etc. (include correspondence programs).

2 If there are independent organizations, affiliate research institutes, or affiliated hospitals that teach general education subjects, foreign language subjects, or health and physical education subjects, list them in the "Other / Graduate Departments / etc."

3 If subjects are conducted on two or more university grounds with different campus names, add "OO Campus" after the location.

4 In the "Faculty Organization" field, enter the number of full-time faculty, etc., and part-time faculty at the organizational level used in the "Education Research Organizations" field. If you entered an independent organization

that supervises undergraduate education in response to 2 above, enter "Other Organization, etc. (OO)" in the "Name of School, Department, etc." field, and enter the number of full-time faculty, etc., and the number of part-time faculty.

In this case, enter "-" in the "Standard Number (and Of which are Professors)" field and in the "Number of Students Enrolled per Full-time Faculty Member"

5 When entering data for the number of "Full-time Faculty," include full-time faculty members who are temporarily absent from the university due to a leave of absence or sabbatical leave.

However, do not include "faculty members who are not teaching subjects" as specified in Article 11 of the Standards for Establishing Universities.

6 In the "Part-time Faculty" field, do not include full-time faculty such as visiting faculty and specially-appointed teaching staff, etc.

7 In the "Part-Time Faculty" field, do not include such faculty who are affiliated with other colleges and departments, etc., but teach subjects in the relevant college or department (faculty members with concurrent positions). In addition, do not include such faculty members in the "Full-Time Faculty, etc." section.

8 For the "Standard Number" of "Full-Time Faculty," "Research Supervisors," and "Research Supervisor Assistants," calculate the number of faculty as follows.

• Attached Table 1 and Attached Table 2, Article 13 of the Standards for Establishing Universities (include the items specified in the notes)

Attached Table 1, Article 9 of the Standards for Establishing University Correspondence Education (include the items specified in the notes)

• Attached Table 1, Attached Table 2, and Attached Table 3 of the Matters Specifying the Number of Faculty to Be Allocated to Different Majors in Graduate Schools (Ministry of Education Notice No. 175 of 1999) in accordance with Article 9 of the Standards for Establishing Universities (include the items specified in the notes)

Articles 1 and 2 of the Matters Specifying Necessary Items Relating to Professional Degree Programs (Ministry of Education, Culture, Sports, Science and Technology Notice No. 53 of 2003)

9 In the "Of which Professional-Level Full-Time Faculty" and "Of which Regarded as Full-Time Faculty" fields, please enter the number of full-time faculty who have professional experience and advanced practical skills as specified in Article 2 of the Items Specifying Necessary Matters Relating to Professional Graduate Schools (Ministry of Education Notice No. 53 of 2003) (Professional-Level Full-Time Faculty), and lecturers other than full-time faculty who have a teaching load of at least six credits per year, and are responsible for organizing education programs or managing other organizations that feature professional degree programs (Regarded as Full-Time Faculty).

10 Under "Undergraduate Programs," for schools and departments, etc. related to pharmacological science (whose major purpose is to cultivate practical ability), enter the number of practitioner faculty among the full-time faculty entered in "Full-time Faculty, etc." in the "Remarks" field. If there are practitioner faculty who are regarded as full-time faculty, add the number of such full-time faculty in parentheses. "Practitioner Faculty" and "Regarded as Full-Time Faculty" refer to the teachers defined respectively in Paragraphs 1 and 2 of the Matters Ruled for Full-Time Teachers for Faculties Related to Pharmacological Science (Those Whose Major Purpose is to Cultivate Practical Clinical Ability) in accordance with the provisions in Item 9 of the remarks to Attached Table 1(a) of the Standards for Establishing Universities (Ministry of Education, Culture, Sports, Science and Technology Notice No. 175 of 2004).

11 Calculate the "Number of Students Enrolled per Full-time Faculty Member" field using the "Total Students" in Form 2 and the "Total number of Full-Time Faculty" in this table.
