

"Online Visit" to the Delegation of the European Union to Japan

The visit to the Delegation of the European Union to Japan as part of the Jean Monnet Chair activities (EU education funding programme) will be held as an "online visit" this year due to the impact of COVID-19. Officials of the Delegation will give us talk about the EU's relationship with Japan, challenges that the EU faces, and international cooperation. There will also be time for a presentation on the Erasmus+, EU's programme supporting students for studying abroad. The presentations will be followed by a Q & A session.

Those interested in the EU, its member states and studying in Europe are welcome to join this event. Registration is required. First-come, first-served basis.
